

11 Years On

Sometimes it seems like we haven't been in Taiwan very long, but this month marks 11 years of service in Taiwan. As we look at what has happened over the last 11 years, we feel... everything!

Our thoughts range from JOY that many have come to the Lord to FRUSTRATION that strongholds still remain. A constant feeling is THANKFULNESS. We would not have the opportunity to serve here, do so much good here, and experience so many things if it were not for our generous supporters.

Several churches and individuals provide ongoing and regular support and there are a few other churches and individuals that seem to put a check in the mail at just the right time to cover something that the regular support would not have covered. We are truly blessed to be a part of a team that is so sensitive to the Holy Spirit's leading in the ways we are encouraged and supported.

Calvary Christian Church Visit

After some unfortunate travel delays, the group from my (Scott's) home church arrived on June 25th. We had a great time showing them around our city and sharing in ministry with them. The bulk of their time was spent leading the children's program at our annual TMF Conference, where their service was greatly appreciated by all the parents with young kids. This group did a great job of being flexible and keeping positive attitudes while facing many last minute schedule changes. These qualities are key for effective ministry.

Kairos Course

Kairos Course started in the Philippines in 1994 as a way of helping Filipino Christians understand the need for reaching the unreached peoples in their own country. Over the years, it has become known as a condensed version of the Perspectives Course and it fills an important role in bringing the best of Perspectives to the church with a bias towards least-reached peoples awareness and advocacy. We believe it can be an effective tool for impressing upon people the urgency of the remaining task to reach the least-reached with the gospel. We held an intensive Kairos Course in June in both English and Chinese and it confirmed in our minds that Kairos can be useful as we move forward.

Josh Turns 8

The picture in the sidebar is a good representation of what we get from Josh on a regular basis... silliness! He loves to work hard at school and life, but he's quick to drop everything and dance if needed. I hope he never changes!

A Note from Team Expansion's President—Doug Lucas

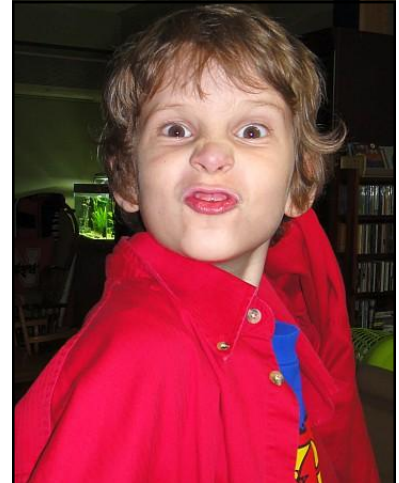

"Thank you for your service." This is a phrase I say every time I meet a member of the armed forces. But today, I say it to you too! Whether or not you're a donor, a friend, a family member, or a missionary with Team Expansion, we really, really mean it. You've been with us for quite a while now and it does not go unnoticed. At Team Expansion, we understand the value of our members. We're very happy to have you as a loyal member like you and we hope you will be with us for years to come. Everyone here at the Int'l Services does everything we can to support you, your records, your identity, your privacy and your work as best we can. We would like to make sure that you're still happy serving in partnership with us. If you need anything, write me. If I'm not the right person to fix the situation, I'll find the one who is. Once again, thank you so much for continuing to serve with us. Without a doubt, we appreciate your camaraderie, service, and partnership.
