

In Which Summer Arrives

Our first school year in Taichung has finished and each of the kids did a fantastic job with school and all of the other changes we have experienced as a family. My (Scott) job in the library was great and there will still be much time devoted to inventory and other library projects over the summer. Angie has made many contacts in our community and we look forward to coordinating more groups and bible studies in the months to come. Thank you for your gracious support of church planting here.

We will be very busy this summer!

I have been asked to preach at Community Church of Taichung (CCT) 3 times this summer. CCT is an English speaking church gathering that meets on the campus at Morrison Academy. Our co-worker, Chuck Johnston, is the pastor at CCT and is back in the USA for part of the summer. It has been a long time since I have formally preached and even longer since I've preached in English. I plan to preach on the theme: A Journey of Love, Grace, and Hope.

The annual Sports and English Camp put on by Team Expansion is July 14-20 this year. As usual, Angie will be camp nurse. Please join us in praying for no major injuries! I will be in charge of volleyball this year as well as sharing a message on Wednesday night on the topic: Abide in Christ. We usually help in many other areas during camp as well. We are excited about some changes in the structure of the camp this year to get each camper involved with what it means to be a "simple church" and get to know others from the area they live in with the hope that they will continue meeting when they return home after camp.

Bethanie passed her lifeguard testing and has been able to get some hours at the pool while also pre-reading for her upcoming AP English course and volleyball season. The other kids are busy too but I'm running out of space to include what is going on... :-)

A Note about Newsletters

In order to simplify the process of compiling newsletters and financial reports, we plan to make a small change starting with this edition. Because of the time of the month that our new bank statements become available, we have to login to the bank's internet banking site to make note of transactions between the last statement and the end of the month. This not only takes extra time but I've found that sometimes transactions are omitted (or I miss them) and I have to post updated financial reports in subsequent months. It is much faster and more reliable to use the bank statements and ensure everything is in order. For this reason, we plan to include the financial report from 2 months previous in each newsletter. This June newsletter will include April's financial report and the July newsletter will include May's financial report.

A Note from Team Expansion's President

Dear Friend of the Great Commission,

Team Expansion people are passionate. In fact, we've identified 7 Great Passions that we all hold dear:

- **God** - He's our reason.
- **Prayer** - In fact, our org started in a prayer meeting in 1978.
- **People** - God loved people enough to send his Son for them.
- **Effective Communication** - We're all about heart language, relationships, & truth.
- **Making Disciples** - This is the focus of the Great Commission.
- **Creative, strategic perseverance until the results are achieved** - Taking the Good News globally is hard work. But we don't quit.
- **Growth** - God seems so set on redeeming people from every tribe, caste and kindred. And he doesn't want just a few. Read Revelation. He wants thousands.

These 7 passions ignite our hearts and our service. Thank you for undergirding the global work of Team Expansion.

Doug Lucas, President—Team Expansion
